

MISSION STATEMENT

Our mission is to '*Support the success of our learners and partners*'.

VISION

Our vision is that:

- We provide a supportive learning environment which enables learners to succeed in their chosen career
- Learners are given the opportunity to develop their skills and knowledge in their preferred career enabling them to lead fulfilling lives
- Learners achieve their chosen aims within a safe and enjoyable learning environment
- We provide learners with the skills, knowledge and behaviours in order to exceed their expectations and progress further after their time with us

OUR CULTURE AND VALUES

- We aim to offer high quality training in partnership with employers and other providers of education and training. Our staff members are committed to;
- Every learner achieving their chosen objectives
- Providing a safe and enjoyable learning environment for every learner
- Providing support to all learners to enable them in overcoming barriers to learning
- Working closely with employers to support them in providing a high quality learning environment and up-skilling their workforce
- Supporting individuals in leading lives which enable them to make a positive contribution to their community
- Improve the employability skills and personal development of all learners who participate in our programmes
